

# Field Trip

## Scheduling Application

The Barn at Spring Brook Farm offers schools that serve children with disabilities the opportunity to participate in educational field trips. We have a number of activities for you to choose from during your visit. All activities are weather dependent. Should there be inclement weather on the day of your visit, we have indoor facilities available. In addition, your group is encouraged to use the facilities for a snack or lunch during the visit.

Due to the nature of what we do, our staff and volunteers will be here to assist with the animal activities and hay wagon tours of the property. Please know, the responsibility for the welfare and care of the children who attend a field trip remains with the school or organization hosting the trip. We recommend that the visiting school or organization bring a 1:1 adult to child ratio, but require a 1:2 adult to child ratio. Also, if a child attending requires a nurse for the administration of medication, he/she will need to be supplied by the visiting school or organization.

A field trip fee of \$200.00 is required. Payment is due 15 days prior to the date of the trip. Field trips are limited to 15 children per trip. All food, drink, medical supplies, diapers, and other needs of a visiting child are to be supplied by the visiting school or organization. Each child needs to have a release form filled out and signed by a parent or legal guardian on file at The Barn.
