

*“My son has ADHD, anxiety and fetal alcohol syndrome. He had a very hard time with his behavior in school this year. He had the time of his life. His behavior at home reflected the special attention and patience he received at camp. He is counting the days till next summer.”- Camp Parent*

*“Camp Geronimo is an excellent children’s camp full of fun activities for all to enjoy!! The staff pays exceptional attention to each child’s individual needs while creating a fantastic experience!!” - Camp Parent*

*“Every year the camp is amazing and every year they strive to, and are successful, in improving and making it even better. You just don’t see that anywhere anymore. You see it here!” - Camp Parent*

*“Camp Geronimo allowed my son to have a great camp experience. His disability would not permit him to attend most camps. After the first day he told me he “loved” it. He is excited to attend again next year! Thank you Camp Geronimo for a great week of camp!” - Camp Parent*
