

Happy New Year to Our Barn Family

We hope that everyone had a wonderful holiday season and that 2026 is filled with health, happiness and new adventures. As we turn the page to a new calendar year, we have much at The Barn for which to be thankful. This year is the 20th anniversary of The Barn...a dream we never imagined would endure two decades! We hope you are ready to celebrate this milestone with us! We have an exciting year ahead. Thank you to our Barn Family for 240 months, 1,043 weeks, 7,300 days, 175,200 hours, 10,512,000 minutes of love and support! Cheers to 20 years together and 20 more ahead! Our future is bright thanks to each and every one of you!

Barn Spotlight: Welcome Back Sharon Cichocki, as Board President

Sharon's love of animals, and first hand observations of the incredible positive influence animals have on children, led her to The Barn as an Individual Program volunteer back in 2014. Various volunteer roles and over 10 years of "Barn" experience later, Sharon returned to the Board of Directors for the second time and is honored to serve as President. Sharon draws from her education (MBA from Lehigh University), work experience (career in Human Resources) and variety of volunteer leadership roles to forward The Barn's mission she so passionately believes in.

2026 Camp Geronimo

This year we are adding some really fun weekly themes to our camp experiences. Campers will continue to enjoy our traditional camp favorites while trying something new. All activities are designed to be flexible and accessible, allowing every child to participate in ways that feel comfortable, meaningful, and fun! For more details visit:

Spring Individual and Teen Individual Program Registration is Open!

- **Session 1: February 23 – April 3**
- **Session 2: April 6 – May 15**

Our Spring Session begins Monday, February 23rd! Kelly has designed some super fun themes planned for this year. The very first week will honor our founder, Mary Beth Drobish, a remarkable woman who dreamed of creating a place where children with disabilities could experience life on a farm alongside incredible animals.

Here are a few of our Spring themes. For more details click here: [Spring IP & TIP Themes](#)

- **Week 1: Leaders Who Changed Our World**

- A celebration of leaders who changed our world! This special week brings together Black History Month, Presidents' Day, and the beginning of Women's History Month in March.

- **Week 2: Books, Barns and Big Imaginations**

- Ever wondered what the animals' favorite books are... or what Mr. Chris loves to read? Well, wonder no more!

- **Week 3: Barn Olympics**

- This week, our farm transforms into a stadium full of exciting challenges and friendly competition.

- **Week 4: The Great Barn Leprechaun Hunt**

- The farm is bursting with shamrocks, rainbows, and hidden treasure!

- **Week 6: Put Me In Coach**

- Step up to the plate...it's baseball week at The Barn!

- **Caring Paws and Helping Hearts**

- This week is all about kindness, empathy, and caring for our animal friends!
